Контрольная работа 8 А, Б, по теме «Мода»

Контрольная работа

1. Read the text about fashion from 1950s up to the present moment and answer the questions below choosing the right variant.

In the 1950s young women and teenage girls wore skirts with petticoats (нижние юбки) and cardigans. Tight trousers or jeans with oversize jumpers were in fashion for both teenage girls and boys.

In the period from 1960 to 1967 the miniskirt and tights appeared. Young women and teenage girls looked like children in body-doll dresses and pinafores (сарафанах) which they used to wear with high boots. Black polo-neck sweaters (водолазки) became popular thanks to the Beatles. Jeans were popular and denim was also used for shirts, jackets and hats. Fashion was also becoming universal for girls and boys.

In the period from the late 1960s to the 1970s individuality was above all. The ethnic style came into fashion together with hippies. Clothes were often customized (украшены) with embroidery (вышивка).

In 1969 the maxi was introduced. As to footwear young men and women wore platform shoes. In the early 1970s “flares” and “bags”(брюки, широкие по всей длине) came into fashion.

From 1975 narrow (узкие) and straight trousers became trendy again. To be up to date with the fashion women wore trouser suits (костюмы). During the mid-1970s the punk style appeared but soon in the late 1970s sportswear came into fashion. In the 1980s shoulder-padded (с подплечниками) shirts and jackets became trendy. Tracksuits, leggings and training shoes became fashionable uniform that men and women of all ages wore.

In 1990s young people enjoyed wearing clothes in different styles – from miniskirts and flares to hippie styles, platform shoes, the punk and ethnic styles and some others. Clubwear, streetwear and sportswear are the three main tendencies in today’s young fashions in Britain.
